1830 Book of Mormon, University of St. Louis - Rare Books

Provenance:

This 1830 Book of Mormon copy has "Clemens" written on the title page. Saint Louis University's Rare Books Division was gifted a number of books from Cyril Clemens, a distant cousin of Mark Twain (Samuel Clemens). However, verification of a provenance associated with Cyril Clemens has not been established. An association with Cyril Clemens is a possibility, but ultimately remains unverified for this copy.
