

# Book of Mormon Census Project

## A0109, 1830 Book of Mormon

April 1, 2025

Jackson County Historical Society, Independence MO

1830 Book of Mormon, Jackson County Historical Society

### Provenance:

Received by way of The Groves, a long term care facility in the area.

Bookplate sticker listing: Ex Libris Frederick C. Narr M.D

Internal notes state received around 1960 and associated with David Whitmer, it's unclear if this references the original David Whitmer or Whitmer family.

### Features and Notes:

Spine: Leather with gilded ribbing visible. Vertical cracking throughout. Small piece missing from top edge.

Spine Lettering and Label: Black title ribbon present. Small font format. Gilded letters present.

Cover: Leather with various marbling and wear markings. Identifiable diagonal crease near top right corner.

Binding: Cover boards warping at top, starting to separate from spine on top edge. Front pastedown listing book plate sticker with "page 507" in center in pencil. Notes in upper left corner listing first edition with date of May 2 (or 9?) 1937.

Title Page: present in tact. Triangular curved cockling lower left and upper right corner. Water stain in gutter lower part of the page.

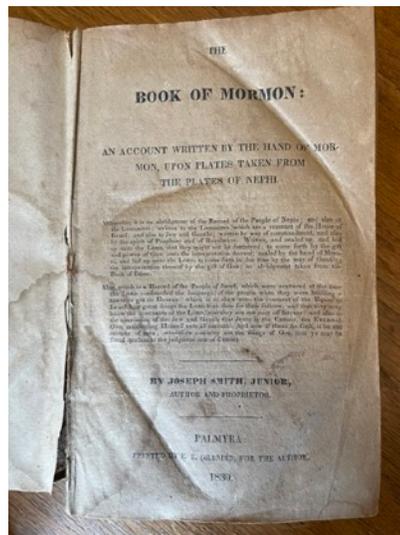

Text: No recorded details

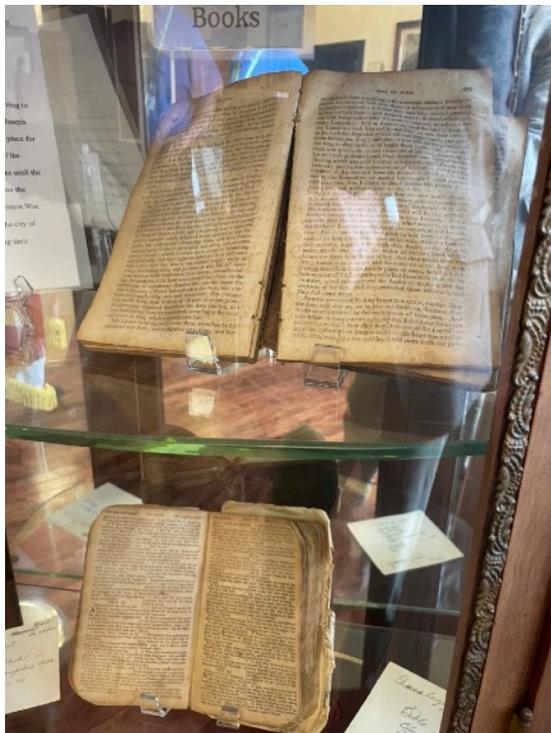

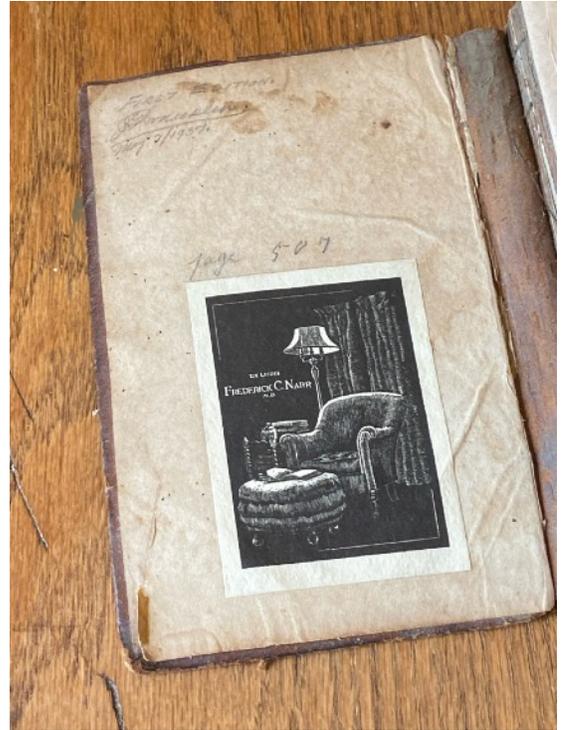

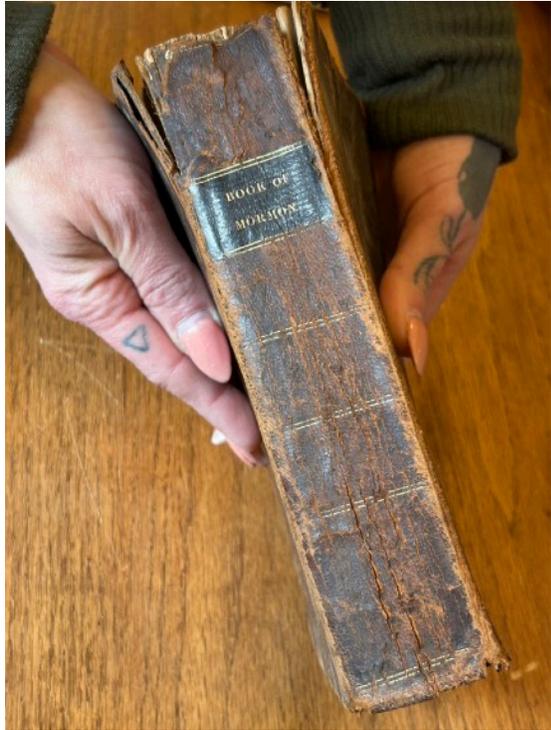

Inscription: None recorded

Notes: On display showing open page 270-271.

Last word on page 270, hyphenated to top of page 271: "hav-gn". Page 271 line 23 "therefore"
