

Book of Mormon Census Project

A0112, 1830 Book of Mormon

April 21, 2025

Duke University, Durham, NC

1830 Book of Mormon, Duke University Copy 2

Provenance:

Bookplate sticker showing book given by John. W. McEachren.
Illegible inscriptions throughout

Features and Notes:

Spine: Repaired spine. Old spine over new bindings. Portions missing from top and bottom edges. Gold ribbing still visible.

Spine Lettering and Label: Original title ribbon present. Letters present but faded

Cover: Repaired cover. Pit markings middle section at right edge. Wear on corners. Back cover: curved irregularity in the center (difference in leather condition)

Binding: Front and back paste downs present. Single front and back endpapers.

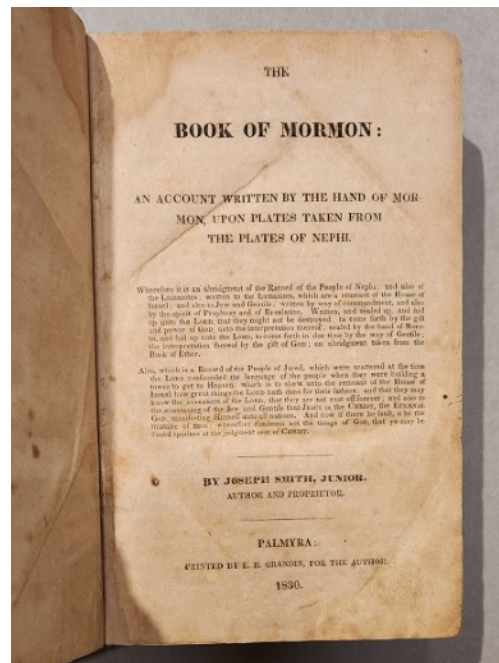

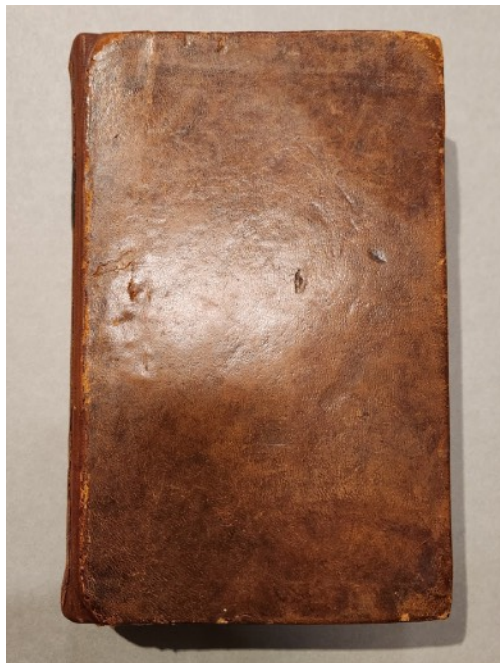

Title Page: Present, triangular cockling on all four corners with distinct line at upper left corner.

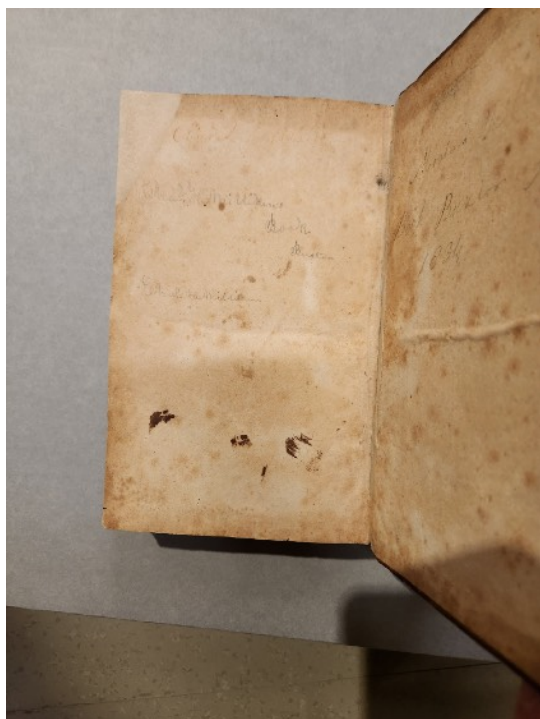

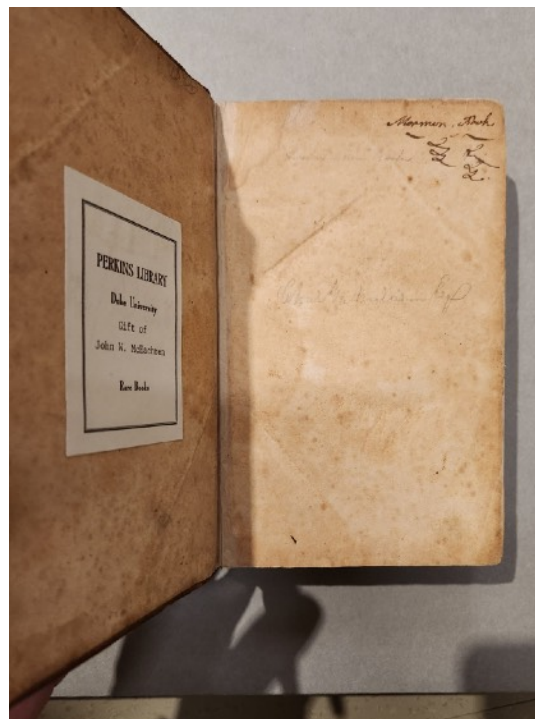

Text: No recorded details

Inscription: Various pencil marks illegible name on front endpaper. "Mormon Book" with doodling upper right corner. Back end paper: similar pencil markings, illegible name. Small paint marks lower edge. Back pastedown: similar pencil marks, Char? (illegible), 1834.

Notes:
