

# Book of Mormon Census Project

## D0024, 1841 Book of Mormon

June 6, 2023

Pepperdine University, Malibu CA

1841 Book of Mormon, Pepperdine University,

### Provenance:

Embossment listing Pepperdine College, so this volume came to library collection prior to 1970 as the school became designated as a University afterwards.

### Features and Notes:

Spine: Refurbished brown canvas spine tape overlaying the volume.

Spine Lettering and Label: Library listing Book of Mormon in white at top of spine and library numbers: 289.3 B724 1841 in spine center.

Cover: Partially covered from spine tape. Decorative light brown cover.

Binding: Internal hinge tape between front pastedown and front endpaper. Hinge tape between back pastedown and back endpaper.

Title Page: Present, start of separation from spine. Fire damage mark on upper right edge.

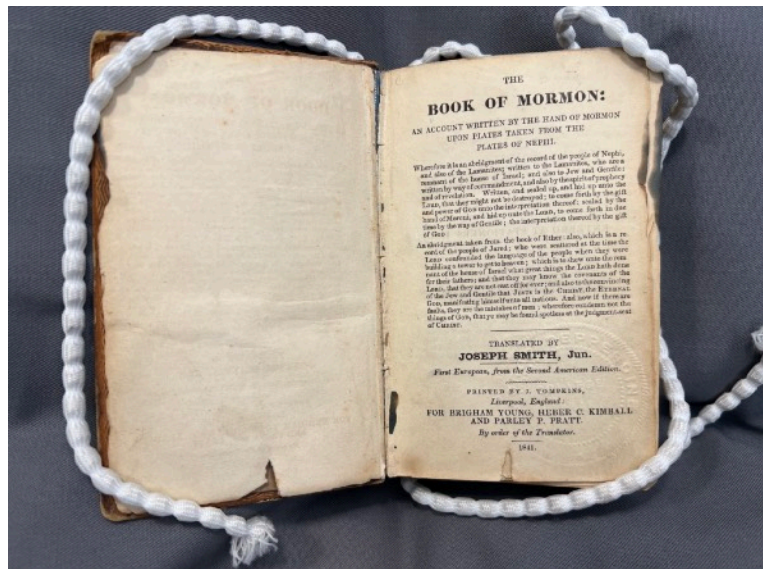

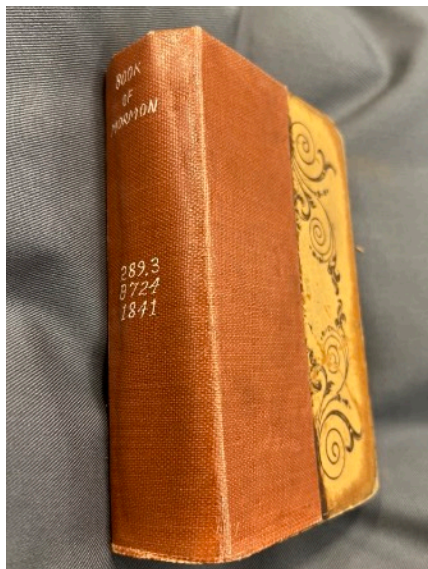

Circular embossment of Pepperdine College.

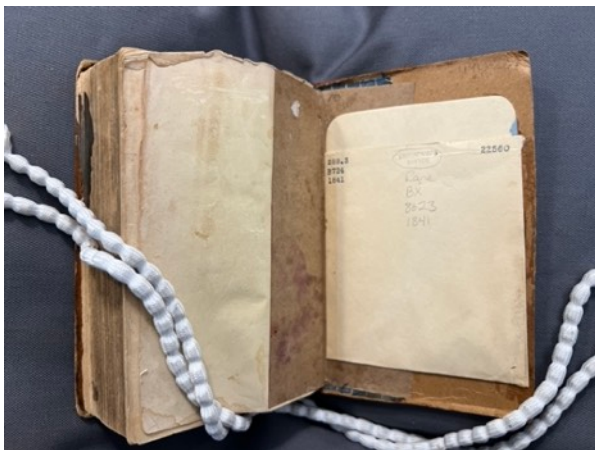

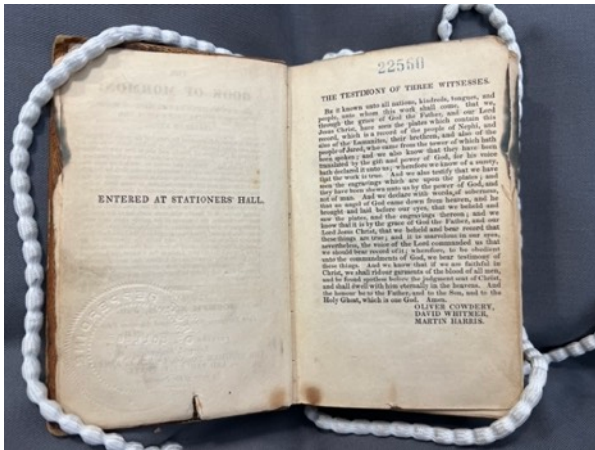

Text: Noticeable burn marks on front sections in upper right edge. Small burn mark on bottom edge near gutter. Some annotations through text in pencil in margins.

Inscription: Last name of Cutty, July 29 1844 on front end paper recto, partially covered by hinge tape.

Notes: Front pastedown listing price of 10.00 in pencil. 2nd front endpaper listing notes of Jesus and Brother of Jared in pencil with price of 10.00 and word rare in center. Back pastedown has library card envelope adhered to board.
