

Book of Mormon Census Project

F0018, 1869 Deseret Alphabet Book of Mormon

Sept 2, 2023

Private Collection

1869 Deseret Alphabet Book of Mormon,

Provenance:

None given.

Features and Notes:

Spine: Image the Salt Lake Temple in gold visible and upper and lower gold banding present. Slight wear on upper and bottom ends.

Spine Lettering and Label: Gold title text visible and clean. It's noted that a decorative symbol usually bellow the title is missing. This was never imprinted and not faded away.

Cover: Embossed perimeter present and clean. Outer corners unblemished.

Binding: Spine/Cover hinge intact.

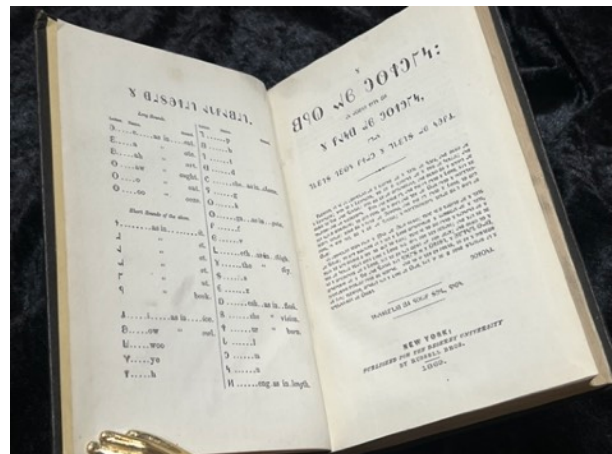

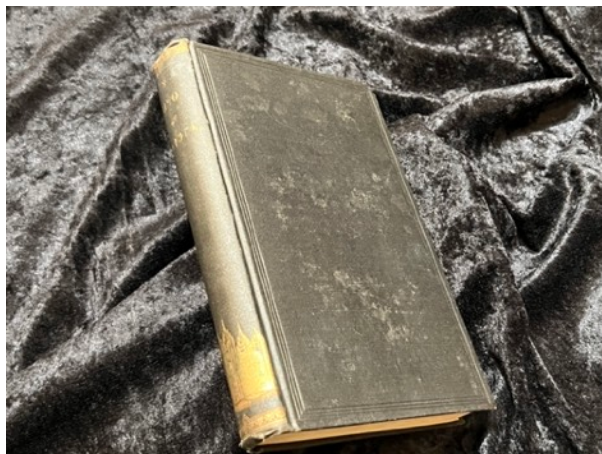

Title Page: Present and attached. Prior translation page present and attached. Slight darker smudge at upper corners near gutter. Small smudge on translation page near the "book" vowel sound.

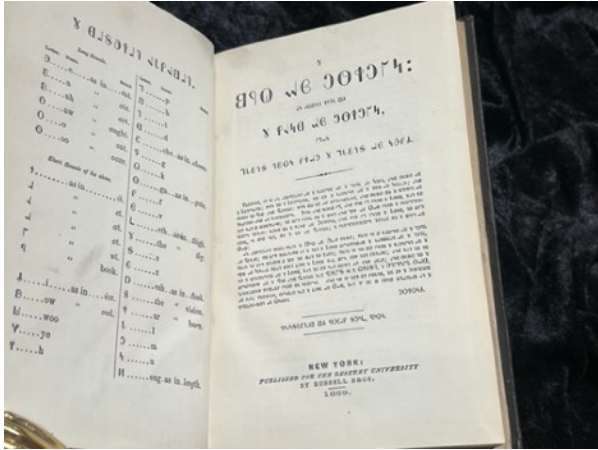

Text: Full volume, not noted markings

Inscription: No noted markings.

Notes: Emphasis on missing symbol on spine
