

# Book of Mormon Census Project

## H0011, 1981 Book of Mormon

Sept 2, 2023

Private Collection, Utah

1981 Book of Mormon, Subtitle Prototype Volume

### Provenance:

Given to Brent Ashworth from members of the Scriptures Committee as they were preparing to add the subtitle to the 1982 printing

### Features and Notes:

Spine: Traditional 1981 format spine, hard cover

Spine Lettering and Label: Gold title at the top with the Church listed at the bottom.

Cover: Traditional 1981 format title. Hard Cover. Additional subtitle of "Another Testament of Jesus Christ" in capital block gold lettering, different font than traditional 1982 subtitling.

Binding: original and intact

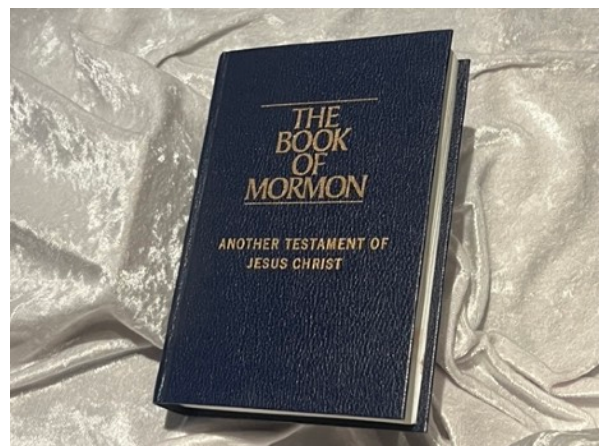

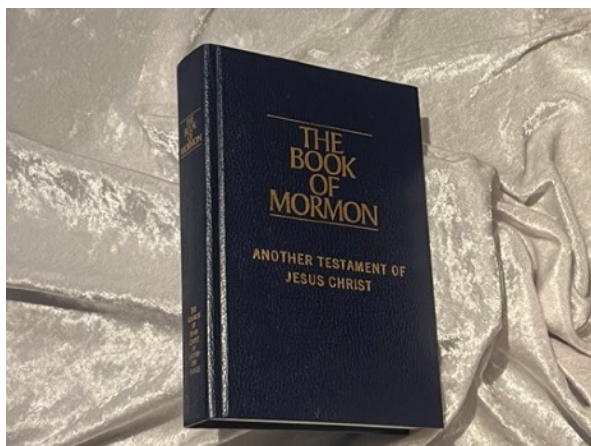

Title Page: Present, 1981 printing date

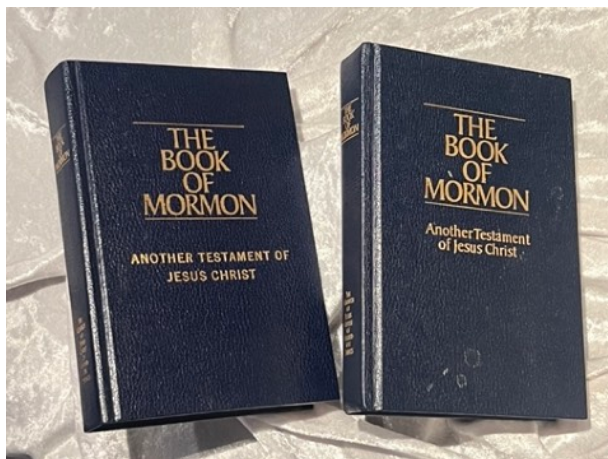

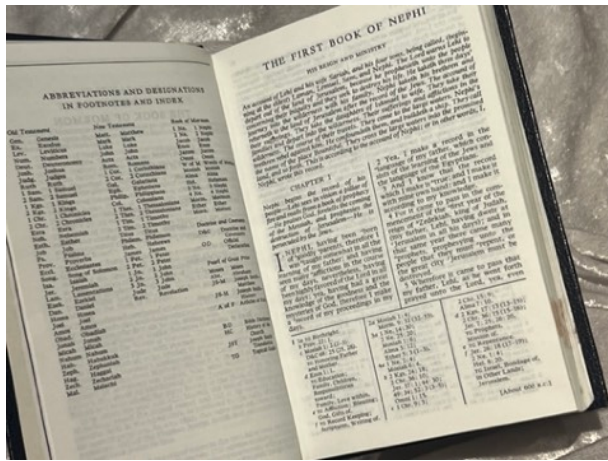

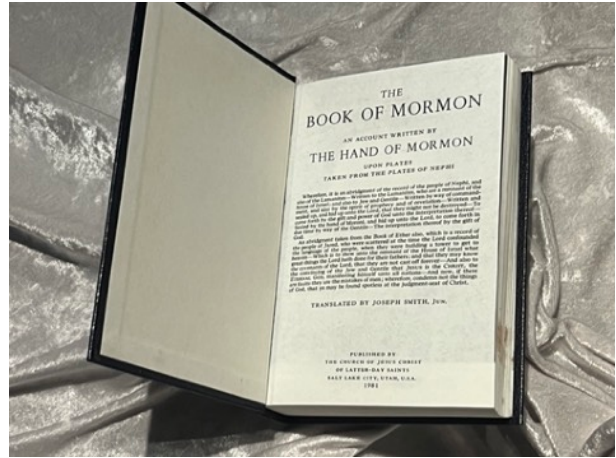

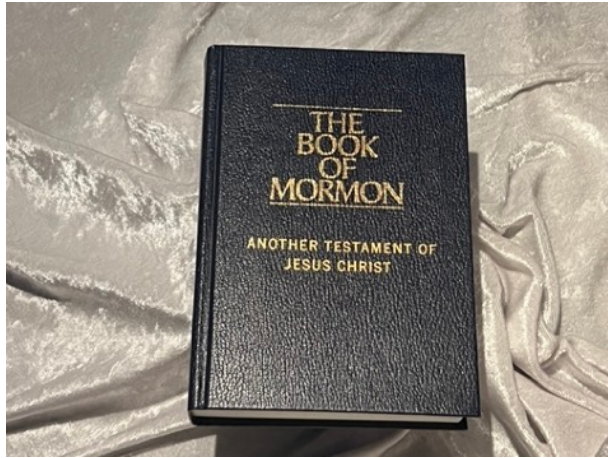

Text: Traditional 1981 text

Inscription: None recorded

Notes: This was a prototype for the 1982 subtitle. In 1981 the book was printed with just "The Book of Mormon" title. The Scripture committee proposed adding a subtitle and this volume was made in late 1981. The font was changed for 1982 with the subtitle printed for the 1982 volume going forward.
