

# Book of Mormon Census Project

H0016, Book of Mormon

December 31, 2024

Private Owner, UK

2023 Handwritten Book of Mormon, DaVinci Style, Backward/Mirrored

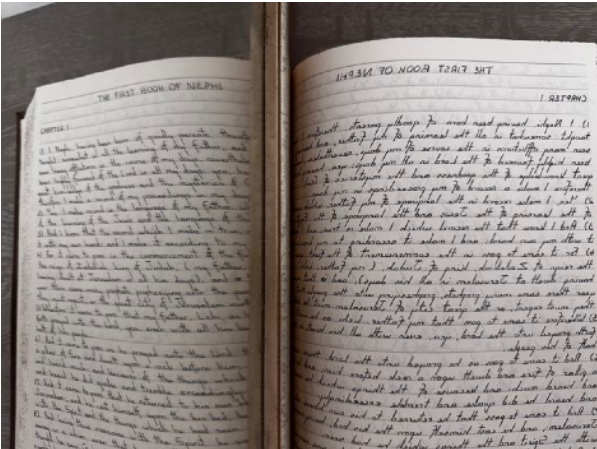

## Provenance:

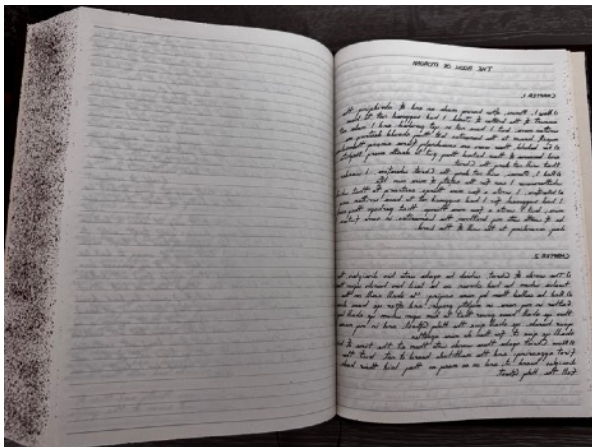

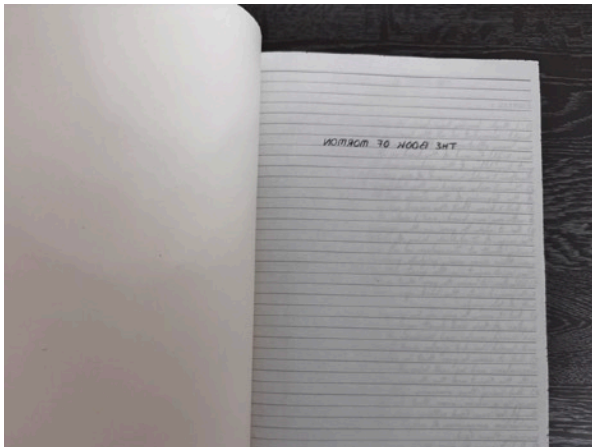

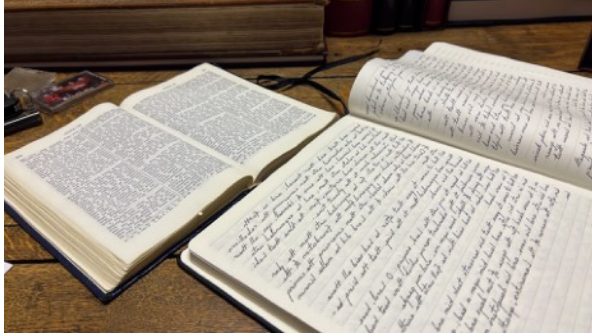

Single creator and owner, inspired to write full volume backwards/mirrored. Started 2021, finished 2023  
In private hands, contained in accompanying clamshell

## Features and Notes:

- Spine: Leather bound, gold box separating six sections, extra gold ribbing on top and bottom edge, decorative symbols inside each non-title section
- Spine Lettering and Label: Title block second to top section. Block gold lettering.
- Cover: Leather bound hard cover. Clean, no wear
- Binding: Single front and back end papers
- Title Page: Single page, title only, no title paragraphs or other author markings
- Text: Brown speckling on text block edge. Full text hand written, readable in mirrored format.
- Inscription: Single page "it is done" (backwards) with authors signature.
- Notes: Creator used a notebook and wrote by hand the full text of Book of Mormon, in mirrored reverse. Creator had it bound after finishing the volume.
